MAKE THINGS SIMPLE

Financing is a great solution for purchasing capital assets that releases the pressure from the day to day working capital.

BEST QUALITY

No need to compromise on the quality of equipment you use due to financial constraints.

FLEXIBLE REPAYMENTS

Benefit from having the equipment on site from day one while spreading the cost over a fixed period.

Are you looking at buying new equipment but don't want to drain your cash reserves?

Is there equipment you need that is business critical but only for part of the year?

Northern Balance offers both an **Equipment Rental Service** and **Financing Options** giving you flexible and cost-effective ways of getting the equipment you need in your business.

For more information on how it can work for your business and to find out if you are eligible call **0344 477 1966 and speak to a member of our team.**

EQUIPMENT RENTAL SERVICE

If you only need weighing equipment for a short term project then our rental service is for you.

Choose a time scale for rental that suits you

Equipment can be delivered and setup on site at a time that works for you

We provide training on the equipment so that your team can operate it confidently
